## skin doctor

German-based Dr.Hauschka has been making organic and holistic skin-care preparations from biodynamic ingredients since 1967, and a range of the company's Daily Body Care products in cute trial-sized miniatures is available in a smart little travel tin (\$29.95). Pamper your epidermis with treats such as Blackthorn Body Oil and Quince Body Moisturizer. For stockists, phone (02) 9818 6119.
